Please mail check and application to:

Allen Garden Club
Membership Chairman
1321 Joshua Ct.
Allen, TX 75002

* Annual dues subject to change
Updated January 2018

The Allen Garden Club was founded in 1998. The mission of the Allen Garden Club is to educate people in Allen and surrounding areas about natural gardening practices and the benefits of gardening, encouraging people to conserve our natural resources and exemplify public spirit by participation in community service projects.

Some benefits of membership are monthly gardening presentations by local experts, monthly e-newsletters, opportunities to work on community service projects to beautify our community, plant and seed swaps, and the fun and fellowship of our members.

Our meetings are on the first Thursday of each month* February through December at 7 pm. We meet at the Allen Heritage Center, 100 E. Main St., Allen. All are welcome and refreshments are served at our meetings by our members.

** Check website for any changes to our schedule.*

Join the Allen Garden Club

Do you love gardening and would like to get acquainted with others who enjoy gardening?

Join a garden club . . .

Take advantage of programs in gardening, landscape design, environmental education, organic gardening, composting, etc.—all sponsored by the Allen Garden Club.

And . . .

Discover what grows best in your kind of soil, how to fertilize and retain moisture.

And . . .

Enjoy sharing your prized plants with other members and get new plants for your garden all for free at our plant swaps.

And . . .

Learn from the experience of local experts.

And . . .

Get new ideas for outdoor planting to compliment your home and neighborhood.

***MEMBERSHIP IS THE KEY
TO PERSONAL ENRICHMENT.***

Do you wonder what would happen if no one cared about our prairies, lakes, and trees?

Join a garden club . . .

Support its conservation projects to provide protection from pollution and misuse of natural resources.

And . . .

Participate in programs to preserve historic sites, taking care of places important in the life of your community.

And . . .

Create a heritage for the future, planting at home and taking part in garden club programs for long-term beautification.

And . . .

Work with like-minded organizations such as the Collin County Master Gardeners and the Blackland Prairie Master Naturalists to complete garden project that will benefit our environment and community.

**MEMBERSHIP IS THE KEY TO
PRESERVING OUR HERITAGE**

Do you hope today's children grow up feeling good about flowers, butterflies and birds?

Join a garden club . . .

Learn about youth programs that offer children and young people a chance to dig, plant and grow.

And . . .

Promote the garden club's activity program encouraging young people to be curious about nature's mysteries and careful about how they are used.

And . . .

Find out about scholarship programs for college bound Allen High School seniors planning to major in subjects related to the garden club goals.

**MEMBERSHIP IS THE KEY TO
A LIFETIME OF GARDENING
PLEASURE.**
